

Business **TOOLS**

Several times throughout the year, DeMotte Chamber may offer workshops to help you thrive in business. These workshops will be available to all paid Chamber members that want to benefit from experts in all fields. These sessions will be dedicated to educating, motivating and supporting the small business professional. A nominal fee for each workshop may be charged to offset speaker's fees and/or meal.

The facilitated program offers a wide array of topics small business have a vested interest in, as well an open discussion format where attendees can exchange ideas and share best practices.

The workshops may include topics such as:

- **Quick Books**
- **Advertising**
- **Computer Software Tips and Tricks**
- **Mac vs. Windows**
- **Website Development**
- **Submit your ideas about a Workshop**

You will gain practical skills and valuable insight to keep you focused and on the fast track to success!

Keep an eye on your e-mail and the Chamber website for upcoming workshops!
