Watkins is a business that is tried and true; producing the finest natural products. It started in 1886 with one product, Red Liniment. This 148 year old company has had only two owners during this time! The Watkins Family held ownership from 1868 – 1978. In 1978 the Erwin Jacobs Family bought it. The Watkins Products are recommended by the cooking Club of America. The Watkins food items bearing the Kosher symbol have been developed in accordance with Jewish Dietary Laws. Watkins designated Kosher Certifying Agency has examined these items and has approved that they adhere to stringent Kosher standards. Watkins commitment to never test on animals has been recognized by LeapingBunny.org. The Environmental Protection Agency's Designed for the Environment seal ensures cleaning products displaying the seal have been formulated using the safest ingredients for human and environmental health. MEMORIAL DAY CELEBRATION

The DeMotte American Legion will be honoring all of the Soldiers, Sailors and Marines from Indiana who have given the ultimate sacrifice to this country since 9/11/2001

Beginning May 26th-June 1st from noon to 7pm and noon to 8pm on the weekend, we will have a display honoring those brave service members from Indiana who have fallen in the line of duty.

We invite everyone to come out and help us honor the brave men and women who have given their lives for this great Nation.

"It is the soldier, not the reporter who has given us the freedom of press. It is the soldier, not the poet who has given us freedom of speech. It is the soldier, not the organizer who gave us the freedom to demonstrate. It is the soldier who salutes the flag, serves beneath the flag and who's coffin is draped by the flag, who allows the protesters to burn the flag." - Father Dennis Edward O'Brien USMC

THE GREEN FACTS: ACHIEVING YOUR BEST HEALTH POSSIBLE.

Member of the Medical Staff at Porter Regional Hospital, Porter Regional Hospital is owned, in part, by physicians.

Here at Belstra's we've begun building our new pellet mill and we're almost there! Thanks to the folks from Interstates, Complete Electric, CPM and Vita-Builders, we began making our first pelleted feed the week of April 3rd. Hamstra Builders is now enclosing the tower to keep out the elements. So far, the "bugs" have been little and we're learning every day. It's a much needed addition. As for our new Pre-mix Plant, the bins above the mixer are erected and they finished erecting the load out bins. Next will be the ingredient bins in the plant. Block walls for the office (lower level) and MCC room (upper level) are complete. Siding is being installed. (Tim Belstra) This spring, stop in and get your lawn ready for summer! We have fertilizer, crabgrass preventer, weed and feed, and grass seed. For those pesky moles that

are tearing up your yard, we carry great mole traps and mole killer. Plus, you will find friendly and helpful staff to answer your questions as much as possible.

4-H season is settling upon us as we gear up for show season! We have grooming supplies, Sunglo feed & supplements, and Belstra Show 4-H feed.

Also remember that our feathered friends are migrating back to us. Keep your eye to the sky for orioles, and hummingbirds. They will be arriving in the next few weeks. We have all your needs in food and feeders, so stop in and check out what's in stock.

We'll Get you back up & running.
