REMC EXPANDS COMMUNITY PROGRAM

Jasper County REMC has made it even easier for young people to improve their communities. Their new Operation Round Up form for YOUTH was designed to help kids who are not affiliated with an organization to do good work. Marketing/Member Services Manager Stephanie Johnson commented, "It's important for every business to try to engage younger people to be aware of your company and perhaps even participate in the company's programs. This new form will introduce young parents and their children to REMC's community-minded corporate culture."

Dear DeMotte Community:

Remember running around the playground when you were a kid? Maybe hanging from the monkey bars or seeing who could swing the highest? It wasn't just a mindless energy burn. Many have called play the work of childhood.

Play is part of being human. It brings us to new worlds, takes us to places we've never been, and roots us more firmly in the places where we live. It builds a stronger sense of self, while also strengthening empathy with others. Play brings people together and brings the best of our imaginations into creating a better reality. But for kids whose disabilities keep them from using playgrounds, those opportunities can be lost.

This is where you come in. Our community has nearly 100% of us utilizing our parks. We appreciate all that outside play spaces have to offer us, our children, and our community as a whole. We might be a group of 3 moms – but we have big plans to upgrade the park equipment at Spencer Park for ALL of us to enjoy. The new play equipment we have picked out is 100% ADA accessible. This means everyone from kids to grandparents can enjoy Spencer Park to the fullest. Even with in-kind donations – it will take quite a bit of money to build our park (about \$200,000). So, we're asking you to partner with us as a way to give back to DeMotte. How often can you give and have it affect every single person in your community? This is a big task but we know our community will pull together and build something we can all be proud of. **Let's build a park!!**

With Gratitude,

Leanne Doffin, Silviya Stout, Jenny Jonkman
