MEMORIAL DAY CELEBRATION

The DeMotte American Legion will be honoring all of the
Soldiers, Sailors and Marines from Indiana who have
given the ultimate sacrifice to this country since 9/11/2001

Beginning May 26th-June 1st from noon to 7pm and noon to 8pm on
the weekend, we will have a display honoring those brave service
members from Indiana who have fallen in the line of duty.

We invite everyone to come out and help us honor the brave men and
women who have given their lives for this great Nation.

*"It is the soldier, not the reporter who
has given us the freedom of press. It
is the soldier, not the poet who has
given us freedom of speech. It is
the soldier, not the organizer
who gave us the freedom to
demonstrate. It is the soldier
who salutes the flag, serves
beneath the flag and who's
coffin is draped by the flag,
who allows the protesters to
burn the flag." - Father Dennis

Reality Store Volunteers Needed

Demotte Chamber of Commerce and Kankakee Valley Middle School are coordinating the 2016 Reality Store to be held on Thursday May 5 at Kankakee Valley Middle School.

The goals of this program include helping 8th grade students learn basic skills in financial planning, goal-setting, decision making and career planning. It also clarifies the need for young teens to examine their attitude toward their futures and their career expectations.

Between the ages of 14 and 20, young women and men make critical decisions that affect the course of their whole lives; decisions about educational paths, career options, lifelong mates, and family timing. They ought to make these critical decisions with knowledge about the realities and options of their futures. In the Reality Store experience, young people will learn about their career options, evaluate their choices, and plan appropriately for their future while “shopping” at the store.

At the Reality Store, students will be able to select an occupation they think they would like to have as an adult. They will then be given a checking account register containing the amount equivalent to the average monthly salary in that occupation. The students will then go into the Store where they will spend their salary on the necessities and luxuries they envision as part of their adult lifestyle. This exercise will help students learn whether their selected occupation will provide the financial resources needed to provide the type of lifestyle they have chosen.

If you are interested in helping our teens to start planning realistically for the future, please volunteer to be a part of the Reality Store. We are looking for volunteers to advise stations at the store for three sessions; 1st shift from 7:15am-11:00am, and 2nd shift from 11:00am-1:30pm and if you choose to help all day, that is helpful too!

Please contact the Chamber office at 987-5800 or e-mail info@demottechamber.org to help out.

“Happy Birthday Indiana!”
