McColly Real Estate Website Recognized for Excellence

Excellence since 1974

McColly Real Estate has been awarded the Website Quality Certification (WQC) from Leading Real Estate Companies of the World®, a global community of more than 565 high quality independent real estate firms in 65 countries. The certification was presented in recognition of excellence in website design, content and functionality.

McColly Real Estate's website, www.mccolly.com, received high marks in a variety of critical areas relating to website performance, including usability, design, content, interactivity, customer service and mobile responsiveness. The evaluation was conducted by Virtual Results, LLC, a real estate internet and social marketing firm selected by Leading Real Estate Companies of the World® to review the websites of participating members.

The specific measurements for the WQC are updated each year to reflect the most current online marketing strategies, as well as evolving consumer preferences. Companies must be re-certified every two years to maintain the certification.

"The 135 companies that earned the WQC this year offer consumers engaging websites with effective design, deep local content and the most current information on homes, not only in their local markets, but also around the world. We are delighted to recognize them for offering a superior online experience for consumers and supporting them further with exceptional customer support," said Leading Real Estate Companies of the World® President/CEO Pam O'Connor.

Sprucing Up at DeMotte Carpet

If you have stopped in recently, you were probably asked to pardon the dust, but know it will be well worth it!

DeMotte Carpet is sprucing up the inside both of its' store locations. Why? It's out with some old and in with some new! It was time to rearrange and make room for some displays that will show new and trending products. So if you are in need of or thinking about some new flooring (carpet, hardwood, vinyl) or tile for a bathroom/kitchen remodel, plan to stop in soon.

Check the next Members in Motion newsletter for actual or hopeful arrival dates.
