WELCOME NEW MEMBER!

Jasper County REMC encourages you to tell your rural broadband story.

Many legislators in Indiana, and across the country, have urban and metropolitan experiences. These folks have no idea of the internet challenges that rural homes, students, schools, medical facilities and businesses face on a daily basis. YOUR story will help rural electric cooperatives send a clear message to legislators that rural areas should have the same internet options as urban and metropolitan communities. Rural internet options will not happen without rural voices.

DSB Wealth Management Open House & Ribbon Cutting

DSB Wealth Management will be hosting an Open House on Tuesday, January 29th from 4:30-6:00 pm. The Open House is open to the public and appetizers will be served. This is a perfect time to see the new office space of the Wealth Management department and converse with the team themselves. Derek, Norma and Jenny will all be onsite to chat with and to enjoy your company. **The Ribbon Cutting will take place promptly at 5pm.**

We'd like to introduce you to the newest DSB Wealth Management team member, Norma Sims!

Norma has been in the financial industry for over 18 years. She started at Scudder Investments in 2000 after graduating from Saint Joseph's College. Norma was a licensed Investment Representative for the AARP Investment program thru Scudder and in 2003 Norma joined Bank One which ultimately became JP Morgan Chase. During her 15 year tenure at JP Morgan Chase, Norma held various roles from being a Licensed Banker, Investments Operations Manager, Chase Wealth Management Margin Manager and Senior Compliance Officer. Norma resides in Demotte and is married with two children; Collin (8) and Morgan (3). In her spare time, Norma volunteers at First Church and loves being outdoors and traveling. Stop in and meet Norma!

Town & Country Construction, Inc. is recognized at 2018 APAI Annual Conference & Awards Luncheon

INDIANA- Town & Country Construction, Inc. has been recognized by the Asphalt Pavement Association of Indiana (APAI) for superior asphalt pavement construction at the APAI's Annual Conference & Trade Show, held recently at the Marriott East Hotel in Indianapolis, Indiana. Town & Country won its award for work done at the North Judson High School Tennis Courts.

Members of Town & Country Construction, Inc. accepted the award in the Sports & Recreational Surfaces category. This was one of eight categories in which APAI recognized superior asphalt pavement construction. Each project submitted by paving contractors was visited and rated by a licensed professional engineer using several criteria, including:

workmanship, i.e.:

- Uniformity of texture
- Smoothness
- Matching existing asphalt around the new surface
- Drainage
- Construction of joints
- Degree of difficulty
- Use of green technologies

After the engineer's review of each site, an APAI Quality Review Panel analyzed recommendations for final award selections.

"APAI is pleased to recognize Town & Country Construction, Inc. for outstanding work in the asphalt paving industry performed this year at North Judson High School," said Kirsten Pauley, APAI Executive Director.

L-Rt: Row #1: Rodney Urbano, Brandon Davis, Mark Slaughter, Wilbur Collins, Row #2: David Gunter, Robert Robinson, Doug Heidler, Jeff Bolinger accept a 2018 APAI Quality Pavement Award in the Sports & Recreational Surfaces category

The Asphalt Pavement Association of Indiana (APAI) is a member driven, not for profit trade association formed in 1959 to serve the interests of taxpayers, public agencies and commercial interests throughout Indiana. Along with its 100 plus member firms, APAI is focused on the development, improvement and advancement of safe, durable and sustainable asphalt pavements. Based on miles of surface, asphalt is America's most recycled product and is the clear pavement of choice, not only in Indiana, but throughout the United States. APAI is headquartered at 2346 South Lynhurst Dr., Suite 708, Indianapolis, Indiana 46241. For more information, call (317) 258-0132 or visit www.asphaltindiana.org.

Do you like bacon?

Come and try a sample of our bacon on January 29, 2019 between 4:00 and 5:00 pm. Then enjoy our bacon on two of our famous sandwiches, the Big Mac and the quarter pounder with cheese. For an extra special treat try our cheesy bacon fries. This wonderful bacon event begins January 28, 2019.

For all of our decaf coffee drinkers, keep a watch out for new and improved changes in our decaf coffee.

Coming in February, the Shamrock shake will return and we are getting another new product, donut sticks.

The bacon event, the shamrock shake and the donut sticks will only be here for limited times. So come and enjoy while these products are available. While you are here, please give "a little love" to our Ronald McDonald house.

Thank you for your support.

Wiers 2018 Breakfast With Santa Event

We would like to thank everyone who came to celebrate with Wiers, Santa, and the Grinch! 2018 was by far our biggest event with an estimated 450 guests and a grand total of 1,448 donuts made! Thank you to Bren E. Booth for taking amazing pictures of the kids with Santa. Party Lane and Twist & Smile for designing fantastic balloon art everyone loved, and Cinnamon Station for making such delicious donuts! We appreciate people shopping locally, and enjoy giving back with an event that is free to the community!

JASPER COUNTY AIRPORT

Where dreams takeoff

Aviation Education Program For High School and Beyond

Jasper County Airport is extremely excited to offer a high school aviation operations course that will be taught at the airport starting with this coming 2019-20 school year. The operations course will cover aviation history, regulations, industry stakeholders, and will serve as a prerequisite to flight, maintenance, and drone courses currently in planning/development (targeted for 2020-21). The operations course will be open to high school juniors and seniors in good standing with good attendance and a "C" grade point average or better. Students will earn high school credit and may be able to potentially earn college credit (dual credit currently being negotiated) all with no out of pocket expense for students or their parents.

Rensselaer Central High School has agreed to offer the course to interested students. KV High is interested but will likely target 2020 school year for program consideration. Other school corporations have also expressed interest including North Newton, South Newton, West Central, North White, and Tri-County schools.

Additional information will be sent out shortly. The airport is planning on having several Q&A sessions at local schools as well as at the airport. Students and parents potentially interested in learning more about the program are encouraged to contact the airport in addition to their high school counselor.

Those interested in aviation should also attend the airport's annual Aviation Career Day and Open House scheduled for May 10, 2019. More information to come about this great event.
