Jasper County REMC encourages you to tell your rural broadband story

A Touchstone Energy® Cooperative

Many legislators in Indiana, and across the country, have urban and metropolitan experiences. These folks have no idea of the internet challenges that rural homes, students, schools, medical facilities and businesses face on a daily basis. YOUR story will help rural electric cooperatives send a clear message to legislators that rural areas should have the same internet options as urban and metropolitan communities. Rural internet options will not happen without rural voices.

INSURANCE BENEFITS FOR YOUR EMPLOYEES

YOUR EMPLOYEES DESERVE THE BEST

Your employees are the heart of your business. One way to enhance your relationship with them is to offer them a benefits package that enriches their way of life. What if you could offer your employees a **10 percent auto insurance discount** at no cost to you? You can — through American National.

In addition to helping your employees save money, you can help them save time by allowing me to coordinate your employees' insurance needs, including home, auto, life and other related services.

A REPUTATION YOU CAN TRUST

For decades, American National has been a leader and innovator in the insurance industry. Millions of Americans have trusted us to protect their financial future and the future of their families.

MORE AN ALLY THAN AN AGENT

Along with helping your employees select custom insurance coverage, I can also provide valuable information during meetings or special events. As an added convenience, I'd be happy to visit your place of business to provide professional insurance reviews for all employees — allowing them to identify any gaps in their insurance protection.

GETTING STARTED IS EASY

All you need to do is complete a short enrollment form and annual employment verification. I'll take care of the rest.

Feel free to contact me so we can talk about saving your employees money and time.

DeMotte Clinic relocates to Wheatfield to expand services

Porter Physician Group's primary care office in DeMotte has relocated to Wheatfield as of February 19. The new, more spacious office is located across from the KV High School at 3988 W. State Road 10. And, this new clinic will accept walk-ins as well as scheduled appointments. Appointments can be made by calling the same number used in DeMotte, 219-255-5293 or on line at wheatfieldprimarycare.com. Specialists will also round through this site.

One reason we relocated to this facility is the larger size – we are planning to add an urgent care there this summer and the DeMotte space could not accommodate this additional service. Urgent Care is a service requested by residents in the DeMotte/Wheatfield area.
