Jasper County REMC encourages you to tell your rural broadband story

A Touchstone Energy® Cooperative

Many legislators in Indiana, and across the country, have urban and metropolitan experiences. These folks have no idea of the internet challenges that rural homes, students, schools, medical facilities and businesses face on a daily basis. YOUR story will help rural electric cooperatives send a clear message to legislators that rural areas should have the same internet options as urban and metropolitan communities. Rural internet options will not happen without rural voices.

Most consumers don't expect to get money back from their insurance provider, but for years American National clients have enjoyed just that as part of our CashbackSM program. In fact, we have rewarded more than **\$500 million** back to clients since the program began ... and we want to reward you too!

CashbackSM is designed to help you worry less about insurance coverage while adding time into your schedule and money back into your wallet.

Simply:

- insure your auto and home with American National
- remain claim free for three consecutive years
- get a check for 25% of your qualifying first year auto and home premiums

Best of all, the reward continues every subsequent year you don't have a claim!

American National is one of the few companies in the industry to provide actual cash back. So, reach out today to learn more about the benefits of American National insurance and how to qualify for CashbackSM rewards.

DeMotte Clinic relocates to Wheatfield to expand services

Porter Physician Group's primary care office in DeMotte has relocated to Wheatfield as of February 19. The new, more spacious office is located across from the KV High School at 3988 W. State Road 10. And, this new clinic will accept walk-ins as well as scheduled appointments. Appointments can be made by calling the same number used in DeMotte, 219-255-5293 or on line at wheatfieldprimarycare.com. Specialists will also round through this site.

One reason we relocated to this facility is the larger size – we are planning to add an urgent care there this summer and the DeMotte space could not accommodate this additional service. Urgent Care is a service requested by residents in the DeMotte/Wheatfield area.
