## JCEDO Says Goodbye to Carroll and Welcomes Robertson as Tourism Coordinator

**RENSELAER, Ind.** – The Jasper County Economic Development Organization (JCEDO) is happy to announce Tori Robertson as its new Tourism Coordinator. Robertson was a recent addition to the JCEDO team during the month of May. Robertson will be filling the vacancy that will be created when current Assistant Director of Tourism & Community Relations, Shelby Carroll leaves the organization at the end of the month. Carroll began her role with the organization in July of 2018 and played a critical role in the restructuring the Jasper County Tourism Commission's (JCTC) grant

application process. This created greater transparency and a streamlining of the JCTC processes.

"I would like to thank Shelby Carroll for her work with the organization and she will be a tremendous asset to any community she serves in the future" Executive Director Stephen Eastridge had to say of the transition. He continued, "Looking forward, we are eager to have an individual with deep roots in the community and are excited about the intangibles Tori brings to the JCEDO team. We are excited about the direction both our organization and our community are heading."

Robertson, a Rensselaer native, had her first day as JCEDO Tourism and Community Relations Coordinator earlier in the month. She attended Ball State University for her undergraduate degree and majored in Exercise Science. Previously, she has been working in the healthcare and marketing fields. Her training, background, and outgoing personality will make the transition into the tourism and community relations role seamless.

When asked about her new position Tori said, "I'm excited for this great opportunity and the chance to give back to the community I grew up in. I love Jasper County and am eager to be a part of our continued forward growth."

The office is currently made up of three employees. Stephen Eastridge, Executive Director; Tori Robertson, Tourism and Community Relations Coordinator; Dan Preston, Industry Liaison.

For more information, please contact the JCEDO office at (219) 866-3080, Fax (219) 866-3010.
