INSURANCE BENEFITS FOR YOUR EMPLOYEES

YOUR EMPLOYEES DESERVE THE BEST

Your employees are the heart of your business. One way to enhance your relationship with them is to offer them a benefits package that enriches their way of life. What if you could offer your employees a **10 percent auto insurance discount** at no cost to you? You can — through American National.

In addition to helping your employees save money, you can help them save time by allowing me to coordinate your employees' insurance needs, including home, auto, life and other related services.

A REPUTATION YOU CAN TRUST

For decades, American National has been a leader and innovator in the insurance industry. Millions of Americans have trusted us to protect their financial future and the future of their families.

MORE AN ALLY THAN AN AGENT

Along with helping your employees select custom insurance coverage, I can also provide valuable information during meetings or special events. As an added convenience, I'd be happy to visit your place of business to provide professional insurance reviews for all employees — allowing them to identify any gaps in their insurance protection.

GETTING STARTED IS EASY

All you need to do is complete a short enrollment form and annual employment verification. I'll take care of the rest.

Feel free to contact me so we can talk about saving your employees money and time.
