We are in the process of expanding our office building to better serve our clients.

There is a little dust, but no interruption of our services. Our building project should be completed by early December.

Donis CPA provides regular payroll and bookkeeping services to a wide range of clients. We can assist with quarterly payroll, or actually print payroll checks, direct deposit for employees, and initiate all your payroll tax payments; all you do is provide employee hours, and we do the rest.

As always, our goal is to help our clients be financially successful!

We have also launched our new website - check us out at doniscpa.com

**INDIANA FARM
BUREAU INSURANCE®**

Life Insurance for Business Continuation Plans

In small business structures the loss of life can create emotional and financial hardship. All business structures are unique. We have found that many business owners have used life insurance to fund a buy / sell agreement. When the death of an owner occurs the life insurance benefit is used to buy out his/her shares to continue the business. The surviving beneficiary would receive the proceeds. This is a basic buy/sell need that is met with a life insurance plan.

To find out more if business life insurance makes sense for your business call Dave Galt at the Demotte Indiana Farm Bureau Insurance office (219) 987-6334.
