**INDIANA FARM
BUREAU INSURANCE®**

Life Insurance for Business Continuation Plans

In small business structures the loss of life can create emotional and financial hardship. All business structures are unique. We have found that many business owners have used life insurance to fund a buy / sell agreement. When the death of an owner occurs the life insurance benefit is used to buy out his/her shares to continue the business. The surviving beneficiary would receive the proceeds. This is a basic buy/sell need that is met with a life insurance plan.

Excellence since 1974

Continuing their tradition of giving back to the communities in which they live, work and play the **McColly Real Estate Company** and the **McColly Foundation** proudly supported the Marine Corp. Toys for Tots 2019 campaign. This was the 20th Year of volunteering for Marine Corp. League Detachment #1056. Thanks to the contributions of the Realtors at the DeMotte location along with family members, clients (past and present) and generous friends in the Community we were able to be a part of helping make Christmas just a little merrier for 2,712 children this year. Linda White, Office Administrator and Opal Williams, Realtor accepted this plaque on behalf of the DeMotte Office in recognition of and thank you from Marine Corp. volunteer, Bob Watts (also pictured). Thank you to all that continue to support our "spirit of giving back
