#### Life Insurance for Business Continuation Plans

**INDIANA FARM BUREAU INSURANCE** In small business structures the loss of life can create emotional and financial hardship. All business structures are unique. We have found that many

business owners have used life insurance to fund a buy / sell agreement. When the death of an owner occurs the life insurance benefit is used to buy out his/her shares to continue the business. The surviving beneficiary would receive the proceeds. This is a basic buy/sell need that is met with a life insurance plan.

It takes a lot to provide for all the animals in a shelter's care, and as you can imagine, shelters go through supplies very quickly. There are lots of reasons you might have extra supplies and items around the house that animal shelters might need. Right now is as good a time as any to do some cleaning and do a good deed at the same time.

Donations go straight to work helping thousands of homeless dogs and cats — at various local area pet rescue shelters throughout Northwest Indiana and the Chicago Southland.

It is the time to remember the power of Jesus' table. DeMotte United Methodist Church is hosting a series of 'Dinner Church' gatherings starting Wednesday February 26, 2020 for 13 weeks. Dinner Church will start at 6 pm and go until 8 pm. It will include a meal, a presentation about our faith, and conversation around the table.
