Please be patient with us while we are working on another way to improve order taking in our drive thru. This new system will decrease the amount of wait time in our drive thru lanes. Mobile ordering is still available if waiting in long lines is not an option. Our dining room is currently only open for take out orders. Per the governor's orders and at

the request of corporate McDonald's, masks will be required to enter our building.

During this hot weather, come and enjoy an ice cream cone, sundae or a shake. If you're hot and thirsty, try a frozen beverage in 3 flavors, blue raspberry, cherry or coke; or a slushie in pink lemonade or fruit punch.

Stay safe and enjoy your summer!

Gratitude Changes Everything

We know these past few months have been full of adversity. For this reason, of all the years we've been voted #1, 2020 is the year that makes this so much more special to us.

This simply would not have been possible without your support. Many thanks to all who cast their vote for us. Without doubt, we are proud to serve our little corner of the world. If there was a "Best Local Community" award, it would have to go to *"The Region"*!

THANK YOU!
