Jasper County REMC

Jasper County REMC will be deploying a newly designed website in early October. The new site improves viewing on mobile devices and has been streamlined to eliminate pages that weren't actively utilized. All of the forms that a member would need are now fillable PDFs to make it even easier to do business with the co-op. The site will also roll out a new payment program – Prepaid Billing. It's like filling up your gas tank – pay as you go and fill up when you need to! Check out the new site in early October!
