## McDonald's - DeMotte

Say goodbye to Shamrock for another year but say hello to Slush-ies. They will be returning on April 16th.

Enjoy one of our new chicken sandwiches, spicy or deluxe. Add a French fry and a drink for a great lunch or dinner.

Our dining room is still not open but you can now fill your soft drinks in our dining room. Sorry, but no refills at this time.

Do you want to help a family in need? The next time you pay for your order, round up your change. The change will be going to The Ronald McDonald house to help families with hospitalized children. Help us to make a difference and bring hope to these families.

Have a good Easter and a great month!

### Money raised for KVMS athletics

## First Give Back Night a success at Burns Family Pizzeria

BY GREGORY MYERS

[gmyerskvp@gmail.com](mailto:gmyerskvp@gmail.com)

DEMOTTE, Ind. — On St. Patrick's Day evening pizza gave the traditional corned beef and cabbage meal a run for its money in the DeMotte area as Burns Family Pizzeria hosted its first Give Back Night with a portion of the proceeds going to benefit the Kankakee Valley Middle School Athletic Department.

"It was our first one and we staffed up and stocked up and we were still blown away by the support," said Teddy Burns, owner. "The event was scheduled for Wednesday, March 17th during operating hours from 4-9 pm for Dine-in and Carry Out. The phones started ringing about 3 pm and we took our 1st call at 3:45 pm and it never slowed down! We have such wonderful patrons. They were patient and gracious as it was all for a good cause. Our wait times were at 1 hour to 1 1/2 hours the whole night as the volume surpassed what the ovens could handle. We sold out of our sandwiches at about 6 pm and by 6:30 pm we were sold out of everything. By 8 pm, our last pizza was picked up. Our pizza crusts are made fresh daily, so when we're out, we're out. Not knowing how the evening would turn out, we took a leap of faith and prepared 2.5 times the dough for a typical weeknight (weekends not included)."

Burns Family Pizzeria

was pleased to report the net sales from the KVMS supporters raised \$311.57. As parents of a middle schooler at KVMS and supporters of the community, Burns Family Pizzeria matched the \$311.57 bringing the total for the Give Back Night to \$623.14. Teddy decided to put out a collection jar for "tips" to go back to support the KVMS Athletic Department and that generated another \$196 for a total of \$819.14 raised for the KVMS.

"We are so grateful and thankful, we can't thank them enough," said Andrew Sargent, KVMS Athletic Director/Assistant Principal. "The community support was amazing and it was really great to see the generous donations. The athletic department relies on games and attendance money. COVID-19 restrictions have definitely impacted our revenue."

Sargent added that the money raised during the Give Back Night will go to pay for uniforms and equipment.

### How a Give Back Night is designed

The club/organization promotes the event and a percentage of sales from the agreed-upon date is given back to the club/organization. If interested in doing a Give Back Night, please email [burnsfamilypizzeria@gmail.com](mailto:burnsfamilypizzeria@gmail.com).

"A Give Back Night such as this is a win-win," said

(KVPN PHOTO/CINDY TEETER)

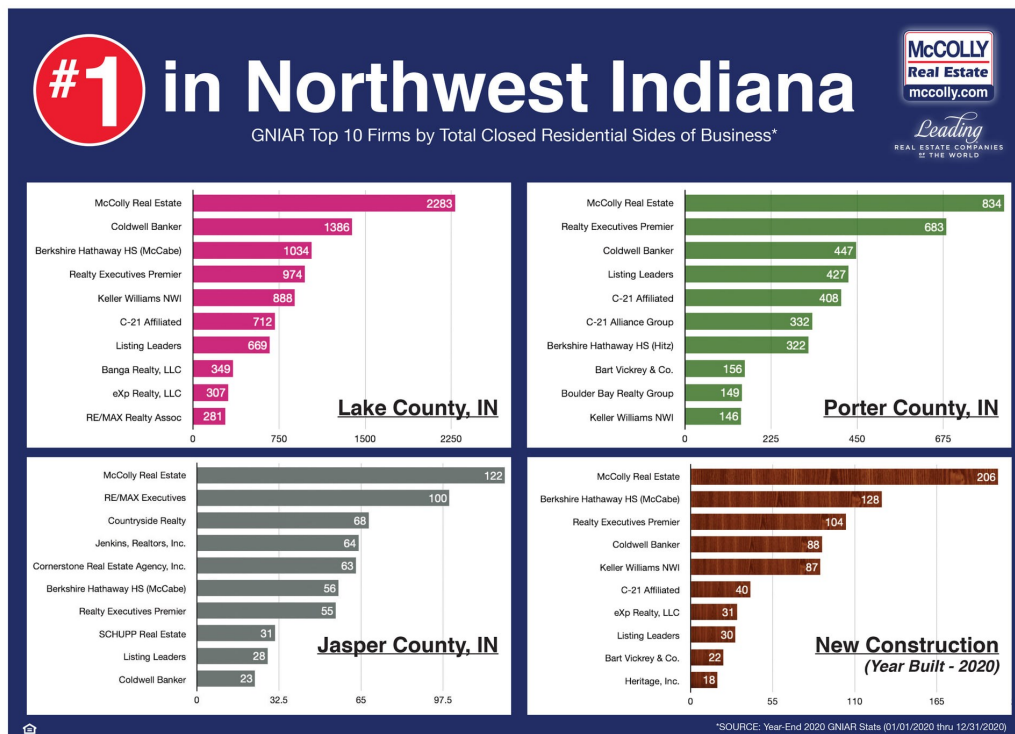

Andrew Sargent, KVMS Athletic Director/Assistant Principal, is shown picking up a couple of pizzas he bought during the Give Back Night at Burns Family Pizzeria. Selena Burns is shown handing him the pizzas.

Selena Burns, co-owner. "As a local business, the school's efforts promote the 'support local' initiative we've all heard so much about over the last year and brings in business. As an organization, the school is able to use networking within the student body, staff, and families of KVMS to help promote the event and earn some funds along the way. Events like these tend to be favored for their

ease and convenience. Burns Family Pizzeria is grateful to the Kankakee Valley Middle School Athletic Department for allowing us to be a part of their fundraising needs. Supporting our community is very important to us. The customers that came in were amazing. We can only hope that future Give Back Nights hosted at the pizzeria turn out as well."

# Market IN THE Park

**JUNE-JULY**

Will be every Wednesday 4 PM to 8 PM Storytime will be at 5 PM. With a small craft such as coloring painting making binoculars out of toilet paper rings nothing big. Reading of a book. The library will take a turn and I'm looking for volunteers to take a turn it would be for one hour they could bring a helper they don't need to bring treats but they are welcome to. So I'm looking for volunteers for that they are welcome to put their company sign hand out pamphlets work it!

Information booth at the market. The information booth is open to chamber members for free it's a \$25 value weekly. With your booth you're welcome to put up a canopy but it's not necessary you're welcome to hand out pamphlets put up signs hand out treats dress up crazy whatever you have to do to draw attention it is worth the customer base. Anyone interested in a booth for their business or to volunteer for Storytime in June or July. Please give me a call 219-743-2099

## Jasper County Airport

### **Airport Management and Operations Internship Opportunity**

The Jasper County Airport has established a summer Airport Management Internship Program, which allows students to align educational knowledge with real world experiences in the aviation industry. The Airport Management internship is sponsored by the Jasper County Airport Authority, which owns and operates the Jasper County Airport.

This internship program is designed to give students exposure to airport management, operations, safety, maintenance, and the airport's regulatory organizational structure. The goal is to allow students the opportunity to explore areas in which to specialize post-graduation. The intern will learn the needs of an airport in the day-to-day operations dealing with tenants, transient traffic, and other airport administration. Additionally, the intern will be expected to accurately complete assigned projects and tasks in relation to aviation management.

### **Summer Internships Available**

Two (2) paid, non-benefit internship positions open to any 16 year old or greater high school junior or senior recently enrolled in any high school or home school within Jasper County Indiana. Compensation will be \$10 per hour with a typical 12-15 hour work week.

Several unpaid, non-benefit internship positions open to any 16 year old or greater high school junior or senior enrolled in any educational program within Jasper and surrounding counties.

Interns may be asked to work irregular hours, holidays, nights, weekends, or on an as needed basis, up to 20 hours per week for the months of June and July, in compliance with Indiana and US Child Labor Laws. Interns are responsible for their own transportation to and from the airport and, if licensed to drive, must have a clean driving/moving violations record (MVR) due to possibly being asked to drive airport vehicles on airport grounds. Interns must be a US Citizen or legal resident.

Those interested in applying for internship are encouraged to send a resume in addition to a brief statement of why they are interested in the internship and if they are open to the unpaid position if not initially selected for the paid position. Resumes and statements of interest can be emailed to [Info@JasperCountyAirport.com](mailto:Info@JasperCountyAirport.com) with "Internship" in the subject line or mailed to:

## STUDENTS IN NEED

### First Church's Backpack Ministry

At our agency, we recognize the importance of our students being well equipped with the right tools for success. We also, unfortunately, recognize that not all students are privileged enough to have access to supplies and resources. This is why we are excited to support First Church's backpack ministry which aims to provide backpacks to every less fortunate child in need of school supplies.

First Church hosts other events year-round that support the children in our community, such as their NXT GEN program, which is their student ministry of children from 6th-12th grade. Programs like this help keep students on the right path spiritually and therefore makes it easier for them to focus on schooling. The backpack drive, similarly, provides resources to students in need so they can focus on their education and bettering their opportunities for a successful future.

They can't do it alone, and you can help. We're now advocating and directing monetary rewards to this very cause. When you recommend someone to us for a quote, we offer to donate \$10 on your behalf. And yes, that is for EACH friend you send us. How many do you have? Do the math!

### Jasper County REMC begins SmartGrid Ring construction

Jasper County REMC (JCREMC) launched construction of their SmartGrid Ring in March. The SmartGrid Ring is an essential component that will pave the way for improved electrical infrastructure, and over the next few years — rural high-speed internet. Primarily, the Ring will connect all 11 substations and the headquarters in Rensselaer to help improve line equipment maintenance, reduce the number and duration of outages and provide additional safety for the field crews.
