We are nearing completion of our building upgrade very soon, just in time for tax season, and wish to thank our clients for their patience and understanding during the construction dust!

We would also like to thank the community for again voting our company as "Best Accounting Firm" and Best Tax Service" in Jasper County for 2020!

This year for tax season we are encouraging clients to drop off their information, and we will follow up with questions to complete your tax return. We have many ways to meet with you virtually or by phone. In person meetings are limited, but we will work to accommodate all of our client's needs.

There have been many changes again this year and we will be happy to explain how those changes affect you. We will always strive to prepare and file your tax returns in a professional, prompt, and accurate manner.

We are also here to assist your company with your payroll and bookkeeping needs. We have a full staff here ready to answer your questions regarding these valuable services!

As always, our goal is to help our clients be financially successful by providing payroll and bookkeeping services, tax planning and preparation, and business consultation, with the utmost personal service at a reasonable fee.

We look forward to hearing from you

The Nash Agency

Send caring friends and family our way for a no-obligation quote and we'll donate to the community on your behalf!

Let's change things for

THOSE HUNGRY IN OUR COMMUNITY

Good Neighbor Food Pantry

Our agency is on a mission to help meet the growing demand for food services in our community due to the Coronavirus (COVID-19) crisis, especially during this holiday season. By supporting the remarkable work being done by Good Neighbor Food Pantry, we are committed to raising awareness and funds for this very worthy cause. We can join forces to help local people in need and ensure they have access to nutritional food. Food banks and food pantries like Good Neighbor Food Pantry organize the collection of food donations.

Most non-profit hunger relief organizations rely on volunteers and donations from people with big hearts that don't want anyone in need to go hungry, especially during such a difficult time for our world. This holiday season, the Nash Agency is on a mission to support Good Neighbor Food Pantry in their vision to make sure no one in our community is hungry during the cold winter months. With

school closures, job disruptions, and health risks, millions of Americans will turn to food banks for much-needed support.

They can't do it alone, and you can help. We're now advocating and directing monetary rewards to this very cause. When you recommend someone to us for a quote, we offer to donate \$10 on your behalf. And yes, that is for EACH friend you send us. How many do you have? Do the math!
