Grant awarded to Jasper County Airport

Jasper County Airport was recently awarded a \$30,000 restricted grant for the purchase of 3 computer-based flight simulators by the Ray Foundation. The simulators are Basic Aviation Training Devices that will greatly support the airport's aviation education initiative aimed at introducing young people to aviation. The simulators can be used by licensed pilots for instrument currency as well as allowing those that are learning how to fly to hone skills while still on the ground. The airport's aviation education initiative includes the high school aviation courses taught at the airport, starting this fall; Aviation Summer Camp; annual Aviation Career Day and Open House; and also includes the airport-operated aircraft rental operation. This amazing grant from the Ray Foundation will go a long way to help us promote aviation within the region, and we are extremely grateful.

Announcing Jasper County Airport's new high school summer intern Carissa Seneczko. Carissa attends KV High School and has already started flight training, working toward becoming an airline pilot.

Welcome to the airport Carissa!

Let's change things for

LOCAL STUDENT SHANE FINCH

In the past, you may have seen our agency supporting Covenant Christian High School alongside Burns Family Pizzeria and others. We are excited to continue this support by advocating for a local student, Shane Finch, while he raises funds that will help build a pavilion for CCHS!

Shane's efforts are not only admirable, but we hope that in helping him achieve this plan, we can facilitate an even better environment for the students of CCHS and our communi-

ty. Setting this goal as part of his Eagle Scout Project is something we greatly respect and The Nash Insurance Agency is excited to help make this a great success story for the school.

You can help too! When you recommend someone to us for a quote, we offer to donate \$10 to the pavilion on your behalf. And yes, that is for EACH friend you send us. How many do you have? Do the math!

How?

NIPSCO Seeks Grant Applications for Public Safety Education and Responder Training

Merrillville, Ind. — NIPSCO is accepting applications for a grant to support local nonprofit organizations who provide public safety education and training across northern Indiana.

Grants are available in amounts ranging from \$500 to \$5,000. Applications are being accepted now through August 13, 2021, with grant awards announced during the week of August 23.

Grant opportunities will include, but are not limited to, community and youth public safety education programming and training for first responders, police and fire department fire and carbon monoxide safety programs, education and training in the prevention of damage to underground natural gas lines, and child-related safety education.

Grant funding is not intended to cover the purchase of equipment other than tools needed to support public safety education programs and training.

Organizations with a mission to support public safety education and training are invited to submit a grant request through NIPSCO's online request site at [NIPSCO.com/SafetyGrant](https://www.nipSCO.com/SafetyGrant).

When submitting an application online, please select the "Safety Action Grant" option from the "Type of Support" drop-down box on the application.

Documents to submit with a grant request include:

- * A detailed project description, including the amount requested, scope of the project and community impact.
- * An overview of how support will be recognized (press release, social media, website, etc.) and how it will benefit your organization.
- * Attach project budget, a list of the board of directors and other project contributors.

BELSTRA MILLING CO. HONORED WITH THE GOVERNOR'S HALF CENTURY BUSINESS AWARD

Recognized for Longevity and Service to Its employees, Community and State

June 21, 2021 – BELSTRA MILLING CO., DeMotte, an Indiana animal feed manufacturer since 1954, is incredibly honored to be recognized as one of the 101 Indiana companies in the Governor's Century and Half Century Business Awards announced on June 16, 2021, for longevity and service to its employees, community and the state. Belstra Milling Co. is grateful for the award and was listed as a *2021 Half Century Award Honoree* from Indiana Governor Holcomb.

Belstra Milling Co. is founded and grounded in faith and family and employs 90+ in Northwest Indiana. As a family and employee-owned business, we are passionate about animals and are pleased to manufacture animal livestock feeds for local families, Indiana neighbors, the United States and internationally.

The criteria for such an award are to remain in operation for a minimum of 100 to 50 consecutive years and have demonstrated a commitment to community service. For more information, visit: https://events.in.gov/event/iedc_gov_holcomb_honors_businesses_for_longevity_service_to_hoosier_workforce

About Belstra

Belstra has been an Indiana animal feed manufacturer since 1954, and home of Action Feeds, Heinold® Feeds, NatureServe® and other Belstra feed brands. We are also nationally known for our outstanding pig farm management. Belstra is a family and employee-owned company tucked into the heart of the Midwest in DeMotte, Indiana. Grounded in faith and family, we produce high quality, complete nutritional feeds and custom premixes. Belstra Milling Company's world-class feeds were built on reputation; but the company was built on service and relationships with local farmers and people whose passion is taking care of animals.
