4H Day at Fair Oaks Farms!

Fair Oaks, IN – Fair Oaks Farms is excited to announce 4-H Day with the largest youth development program in the nation, Saturday, October 16th from 9am – 4pm. Join us for a collaboration of 4-H winners from Indiana and Fair Oaks Farms education.

Celebrate all things 4-H as Northwest Indiana students present their animals and projects all around the Adventures. Student leaders will be presenting in the Dairy Adventure...This unique opportunity gives guests a first-hand look at how the 4-H program gives back to our communities. Guests of all ages can participate, as 4-H'ers showcase different livestock all day in the Birthing Barn.

There's plenty to learn during 4-H Day, too! Sign up in the Admissions building to get involved and connect with nature during the "Mindful Eating" class...providing real-life education opportunities, within the 4-H Mission. STEM students will be in the Crop Building showing off their State Fair projects, as the Citizenship and Engagement initiatives take place in the Pork Building. Come support these students and the collaboration of 4-H to educate at Fair Oaks Farms!

Don't wait to visit Fair Oaks Farms...Harvest Season is nearing its end. While you're here, visit The Harvest Market to purchase an apple bag or pumpkin picking ticket and make the most of the Fall festivities! For additional information, be sure to follow our social media, or visit us online at www.fofarms.com.

Jasper County REMC expects complete SmartGrid Ring deployment by 2022

to be completed by the end of this year.

"Once the SmartGrid Ring is completed and operational for the electric side of the co-op's operations, we will be working to deploy rural high-speed internet services over the next five years or so," said Seann Perry, the project's operations manager.

Jasper County REMC is a local not-for-profit electric and technology cooperative. Formed by Jasper County residents who recognized a need for electricity in their homes and businesses, Jasper County REMC has been serving the area since 1938.

Back in March of this year, Jasper County REMC began the first phase of their high-speed internet project implementing the SmartGrid Ring. Currently, the crews are working to enhance existing substation communications infrastructure and install new infrastructure in areas of need. Jasper County REMC is excited to announce they are on track with this part of the project and expect the SmartGrid Ring

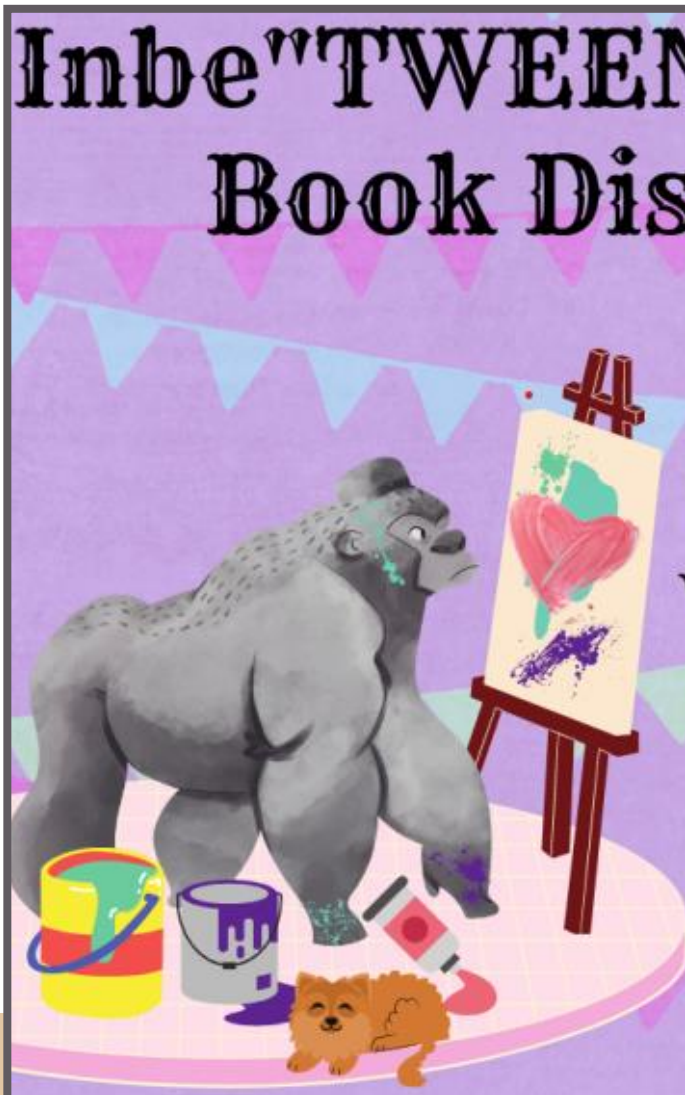

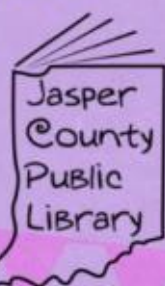

REMC's contractor splices tiny optical fibers to enable the SmartGrid Ring to communicate with all of the cooperative's substations.

In 2009 American Express launched the nationwide Small Business Saturday campaign, the Saturday after Thanksgiving. American Express broadcasts nationwide radio, television and social media advertising leading up to the event. The DeMotte Chamber has been promoting this event each year. However; you must agree that we cannot just dedicate one day out of a year to our Small Businesses.

I have been promoting Shop Local since I have been in the Chamber industry. Our Small Businesses are what forms our foundation here in DeMotte, what makes us unique, and what keeps us going.

I will continue to cheer for all of our businesses, and this includes YOU! Please help me in promoting our ***"Small Business Season"***

Do you have a Facebook page? Chances are, I "Like" it and will co-promote whatever you are promoting. That being said, you should "Like" the [Chamber Facebook](#) page and help promote what we are doing too; even if it's promoting another business.

Let's band together, arm-in-arm and PROMOTE US ALL.
